Business Services

The future database will be a very powerful tool available to recruiters and will change the market of online recruitment. The human resource managers can view online thousands of resumes of graduates of universities participant to the project. CVs can be selected based on an advanced search, specifically targeting the profile of the future employees.

See the help video about enterprise registration and CV search and download

Go to Registration
Register and find the proper graduate

Search the graduate
Find the proper graduate for your business, filtering the results on many parameters.

Publish job offers
Publish your offer and reach many

by sorting the database of graduates CVs according to a set of selection criteria such as *Personal Information, Education, Technical Competences, Language Skills, Work experiences*.

contact directly the graduates they are interested in or receive *candidatures through the Voyage platform*.

- **CVs are certified** by the Universities of belonging
- **Voyage platform is an integrated system:** the data collected (administrative data provided by the universities and data provided by the graduates in the questionnaire) are matched with the twofold scope of *assessing education system performances* and certify academic career so to *provide innovative recruitment tools*.
- **One single databank gathering all the graduates' CVs** from the partner universities
- **Graduates' data are owned by the belonging universities** (not by a multinational companies as in the case of competitors)

- Almost **4.000 CVs** available to companies
- **25 companies** registered

What next?

- Improve the number of CVs
- Improve the number of companies (Vietnamese, European and International) in Voyage Platform

The screenshot shows the homepage of the VOYAGE PROJECT website. The browser address bar displays 'voyage.almalaurea.it'. The page features the VOYAGE PROJECT logo, a navigation menu, and a main banner with the text 'Improve the value of your degrees.' and 'Connect each other'. Below the banner, there are sections for 'Enterprises' and 'Staff Area'. A red-bordered callout box is overlaid on the page, containing the following text:

**Assess your university experience
Boost your career
Find the graduate to hire!**
