Introduction

SIMPLER Consortium in collaboration with the Chamber of commerce of Versailles, the Regional Chamber of commerce of Bretagne, of Midi-Pyreneé and Provence organizes bilateral meetings between Italian and French companies in the framework of International Fair COSMOPROF in Bologna on **16th of April**.

COSMOPROF, world's most important international event in the beauty and cosmetics sector, now also with a special focus on the Spa industry, gathers each year over 2.000 exhibitors (more than 50% international) and approximately 140.000 visitors.

As partner of the "[Enterprise Europe Network](#)", SIMPLER Consortium, covering Lombardy and Emilia-Romagna, has collaborated with the Chamber of commerce of Versailles, the Regional Chamber of commerce of Bretagne, of Midi-Pyreneé and Provence in order to select foreign companies.

The event is aimed at manufacturers and suppliers of cosmetics, producers and designers of machinery for the cosmetic sector.

Business Support on Your Doorstep

Enterprise Europe Network is a part of the EU's Competitiveness and Innovation Framework (CIP) and it offers support and advice to businesses across Europe and helps them make the most of the opportunities in the European Union. The services are specifically designed for small and medium enterprises (SMEs) but are also available to all businesses, research centres and Universities across Europe. The Enterprise Europe Network is made up of close to 600 partner organizations in more than 40 countries, promoting competitiveness and innovation at the local level in Europe and beyond.

Find out more: <http://www.enterprise-europe-network.ec.europa.eu>

In the framework of Enterprise Europe Network, **SIMPLER** - Support Services to IMProve innovation and competitiveness of businesses in Lombardia and Emilia-Romagna - is the interregional consortium that offers support and advice to the SME of Emilia-Romagna and Lombardy region. The partners of Simpler are: Unioncamere Emilia-Romagna, the Chamber of commerce of Ravenna - Azienda speciale Eurosportello, Alintec, Cestec spa, the Chamber of commerce of Milan, Fast and Aster.

ACTIVITIES, PRODUCTS AND SERVICES OF THE COMPANY

Launching a hemp hydrating care line (which became its best selling products), the brand has differentiated itself from the more traditional beauty salon's world.

Strong of success, the company makes a new bet in 2003 and is part of the trend precursor's with the launch of its cocoa care quickly completed by an anti-stress and anti-pollution care with edible chocolate.

The success is immediate and there is a mad rush with the chocolate addicts.

As one of the chocolate leaders in beauty salons, the brand has naturally attended the 10th Chocolate Show, Porte de Versailles in Paris (France) from October 28th till November 1st 2006.

Now solidly established in France and in the 30 countries where Bernard Cassiere products are distributed, the laboratory carry on with investigations on the vegetal ingredient's world and launched at the beginning of 2007 a honey oxygenating care.

PRODUCTS:

Skin care products (face, body, sun, anti-ageing, institutes)

Vegetal ingredients

Beauty Salons (Paris, Hong Kong)

OBJECTIVES OF PARTICIPATION / TYPE OF COLLABORATION SOUGHT

Looking for distributors in Italy and other countries

FACE CARE

Initialization Stage : the skin is prepared and cleansed to restore the epidermis' natural regeneration properties.
restore the epidermis' natural regeneration properties.

Treatment Stage : the treatment applied during this fundamental stage is designed to leave the complexion beautiful and radiant.

BODY CARE

Initialization Stage : preparing, purifying and detoxifying the epidermis to restore its natural regeneration functions

Treatment Stage : fundamental treatment

HAIR CARE PRODUCTS

Preparation Stage : the hair has the same structure as face and body skin, but of course it has its own unique features.

Treatment Stage: Hair Care Serums are formulations enriched with a selection of active ingredients chosen specially to treat the specific imbalances (devitalized hair, seborrheic scalp, etc.). The result is a full, shiny head of healthy hair

ACTIVITIES, PRODUCTS AND SERVICES OF THE COMPANY
<p>Cocagne & Compagnie has set up a unique cosmetic line of products (Graine de Pastel) that values the virtues of a very rare oil : pastel oil (isartis tinctoria). It offers a range of soaps and standard creams containing a secular plant with dermatological virtues : the woad.</p> <p>What one of our distributor says about us.....</p> <p>About Graine de pastel Formulated from extracts of pastel grown in Pays d'Oc, in the Toulouse region in France, Graine de pastel is completely unique, both in terms of packaging and the way it products are conceived. Experience the Experience. Taking inspiration from the pastel of their region, Carole Garcia and Nathalie Juin have combined their many talents to bring the benefits and beauty of the amazing pastel plant to the fore, allowing you to enjoy Pastel in ways you never dreamed possible. Blue, oh so Blue. It truly is one of the prettiest brands we have ever had the pleasure of dealing with and the packaging has been designed with typical French flair, reflecting the moods of Provence and the surrounding region, with the very distinctive pastel fragrance ever present. Definitely number one on our list of ethical, affordable brands for the home. All the Graine de pastel formulations are paraben free and where possible, contain natural ingredients.</p>

ACTIVITIES, PRODUCTS AND SERVICES OF THE COMPANY
<p>CATTIER was founded in 1968 by Pierre Cattier, one of the initiators of the Harmonist movement. He was fascinated by alternative medicine and soon became involved in the development of clay-based products, both for medical and for cosmetic use. He was a visionary who taught many of his contemporaries to use simple and natural ingredients.</p> <p>Daniel Aressy, a pharmacist-cosmetologist specialized in natural cosmetology, took over the management of the company in 1987 and has carried on the founder's philosophy while developing more and more effective products made with natural ingredients. Under his leadership, the company's strategic direction has been towards Eco friendly and Organic Cosmetics including joining the COSMEBIO association.</p> <p>Since its creation, the CATTIER Laboratory of Natural Cosmetology has placed its considerable know-how and expertise at the service of beauty and well-being. Environmentally friendly and wanting to share with consumers the multiple benefits Nature has to offer without harming it,</p> <p>The CATTIER Laboratory has designed a range of Organic Beauty, Hygiene and Care products that are natural, gentle, pleasant and effective.</p> <p>CATTIER Organic cosmetics are formulated with natural ingredients partly produced by Organic Farming methods. They do not contain parabens, phenoxyethanol, synthetic colouring or fragrance, or any petroleum derivatives.</p> <p>GLOSS PUSH-UP Volume and Shine A moisturising, plumping gloss in 5 natural, gentle colours.</p> <p>EAU BOISEE Sensuality EAU CHAMPETRE Memories EAU DE MAI Flowered youth, femininity and gentleness EAU DE PROVENCE Relaxation EAU DU MATIN Stimulating, fresh and toning for the morning EAU DU VERGER Fruity, spicy youth</p> <p>MEN PRODUCTS CABINE DE BAIN Shower gel soap free A masculine, soap free shower gel that cleanses softly and protects the skin. SAFE-CONTROL Deodorant Spray A masculine deodorant spray without alcohol or aluminium salts for a daily</p>

ACTIVITIES, PRODUCTS AND SERVICES OF THE COMPANY

Omega Cat system is a young company which provides new olefins metathesis catalyst.

Omega Cat system also gives advices for their use. Olefins metathesis is a way to create new molecules by coupling two olefins. Olefins metathesis is also a way to create new macrocycle compounds.

By this way renewable raw materials could be transformed in innovating personal care compounds finally, olefins metathesis could be used to produce cheaper compounds than classical chemical route.

OBJECTIVES OF PARTICIPATION / TYPE OF COLLABORATION SOUGHT

The company is looking for chemical industries to help them to transform olefins in order to obtain new personal care compounds.

The company is also interested in research partnership aiming at helping industries to produce new tension-actifs in their formula.

ACTIVITIES, PRODUCTS AND SERVICES OF THE COMPANY

Privilège Coiffure is a French publishing firm specialized since 1986 in the edition of professional products for the hairdressers.

Known by the profession as one of the leader in the market, we are Creator/Designer of Pictures and Trends.

We make with our artistic team (hairdressers, colourists, fashion designers, make-up artists) a complete collection of hairstyle design.

We choose the models and we organize a photo session where the team creates a universe around a tendency theme.

In the fashion and beauty universe, each picture is made with a creative haircut and homemade colour with the intention of making a hairstyle in harmony with the morphology of the model.

All our pictures are bringing in a trendbook together. Thos one is publishing twice a year.

Today, hairdressers can not to do without looking at a trendbook.

Throughout the pages, they help the hairdressers to create new haircuts and new coloration.

The complete collection includes 4 hairbooks (one for woman, one for man, one for kids and one for the wedding hairdressings).

With the intention of a visual coherence, we edit in several sizes to fit to the windows. They are neutral (without any brands or texts). So it's not a advertising product.

They represent the French and Parisian tendency: glamour and chic.

Our products :

- _ hairbooks
- _ banners
- _ posters
- _ business cards
- _ gift cards

Our frames

- _ aluminum frames
- _ aluminium hangers
- _ click system
